Stratford Tennis Club

Stratford Tennis Club was chartered in 1977 to promote the sport of tennis in the city of Danville and contributes to the community by fostering and promoting a healthy lifestyle. This is done by sponsoring tournaments and providing social activities for the mutual benefit of its members and guests. Stratford is a private tennis facility that represents Danville as an official NCTA Tennis Welcome Center. The Club's 6 Har Tru tennis courts are professionally maintained and are considered some of the best in the region.

Stratford's membership is comprised of a wide range of experience levels, from the beginner to the more advanced player with NTPR ratings as high as 4.5. If you are looking for a place to practice USTA league matches or just learn the sport, Stratford must be your first stop in Danville.

We welcome the opportunity to meet with you and your family to discuss the sport, the community and how you can join the Club. We are always interested in new members and invite you to be our guest to try out the courts. For more information give us a call at 434.799.9165 or visit our website at www.stratfordtennis.com to send us an email.
